The secretary of the territory, L. A. Walker, on yesterday notified the chief clerk of the constitutional convention that no printing for the convention presidential canvass last year, as that of cough. that no printing for the convention presidential canvass last year, as that or would be paid for unless it was ordered four years preceding, of declaring that in Helena only by R. S. Hale & Co. through him. As the convention is representative of the people of Montana, range the business of the country. Stafrom apparent by what power the secretary of the territory assumes to dictate to the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action and interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action shall be in any respect. In its capacity as an interest of the convention what its action and interest of the convention where the c absolute body the convention has seen fit to put the matter of printing in the convention has seen unlike republican politicians in that hands of a committee of its own mem- they won't lie, and so another bugaboo bers, as it has a complete and perfect is laid away in its grave. right to do, and the secretary has no more right to interfere with the action of the convention in this regard than he done one decent thing in dismissing would have to say whom the convention should choose for its president, clerks, had sought to make himself secure in sergeant-at-arms,doorkeepers or messen- the position he held when Gen. Black gers. The connection of the secretary was commissioner by turning over to with the convention terminated when, Mr. Tanner several letters addressed to having called the roll of the members- Gen. Black by subordinates and which elect and put and declared the vote on | were supposed to have a political value. temporary president, he resigned the gavel into the hands of the gentleman whom the convention chose to fill that duty to perform such ministerial acts as | Liddell, DeWolfe and Bach present. The | day was not of special value, but there were more the convention imposes upon him in the following business was transacted: course of its deliberations and acting under the power conferred by the act of congress, which act in several sections confers upon the convention, in unmispowers that are possessed by territorial to the officer known as the secretary of appeal; continued.

| Some of the first continued appeal; continued. | Some of the first continued appeal; continued. | Some of the first continued appeal; continued. | Some of the first continued appeal; continued. | Some of the first continued appeal; conti the former. The secretary can only act as a servant; the convention is to all to dictate to the master (the people)
through their duly appointed agent is surprising and would be amusing were it not so much in general harmony with the policy of the Harrison administration. The principle involved is a serious one, and of far more consequence than the question who shall do the printing for the constitutional convention. It is whether an agent of the government at Washington has the power to interfere with the action of the constitutional convention. The properation of the constitutional convention of the constitutional convention. The properation of the constitutional convention of the constitutional convention of the constitutional convention. The properation of the constitutional convention of the constitutional convention. The properation of the constitutional convention of the constitutional convention of the constitutional convention. The convention of the constitutional convention. The convention of the constitutional convention of the convention of intents and purposes the people of Mon-

Walker in this matter has been taken without due thought on his part and is the result of zeal to repay some of the obligations under which he rests. If such is the case it will be an easy matter such is the case it will be an easy matter. such is the case it will be an easy matter for him to recede before the question his communication raises shall come before communication raises shall come before

723—Territory vs. George Duncan Dryson; set headache, heartburn, loss of appetite, a faint, "all gone" feeling, bad taste, coated tongue, and irregularity of the bowless. Dyspendig of the bowless of the bowless. Dyspendig of the bowless of the bowless of the bowless of the bowless. Dyspendig of the bowless of the bowle the convention. At all events, it is safe to say that the chief clerk of the convention, to whom the territorial sections of the convention, to whom the territorial sections of the convention, to whom the territorial sections of the convention. At all events, it is safe thousand the convention of the convention of the convention. At all events, it is safe thousand the convention of the convention of the convention of the convention. At all events, it is safe thousand the convention of the conv his orders in the performance of his Sil official duty to the body which he represent for July 19. sents. In existing lights, the secretary of the territory has been guilty of a piece of gross presumption, and the convention may be depended upon to assert its own dignity and maintain its own prerogatives when, in the course of et al. its business, the subject shall come be-

A HIGH-PRICED PAINTING.

other day, for the immense sum of 520,- not needed-just at present. 000, after American bidders had raised the figure to a snug 500,000 francs, has attracted widespread attention both in this country and in Europe. It is stated that the artist who painted the picture rilla as a blood-purifier should be known to Glove-Fitting Corsets Still Ahead never received more than fifty francs for every wife and mother. It corrects irregua product of his brush until he had passed his fiftieth year, and that he only was paid \$500 for "L'Angelus," the work that has brought twice as much as was ever before paid for any painting. It cured Blind, Bleeding and Itching Piles has several times been sold, once for when all other ointments have failed. It \$10,000 and again for \$32,000. At the absorbs the tumors, allays the itching at sale of the Secretan collection, in Paris last week, this picture by Jean Francois Millet was a prize for which there was the liveliest competition, Mr. Sutton representing the American Art association and M. Proust, representing the French vernment, bidding in behalf of the Louvre. The latter won the day, but the The favorable impression produced on American is now negotiating for permission to bring the picture to this country for exhibition. Art critics have spoken even slightingly of "L'Angelus," and the assertion is made that it owes its popusassertion is made that it owes its popusasser it by Watner and to praise of the etching it by Watner and to praise of the etching by Philip Gilbert Hamerton, the distinby larity quite as much to an etching from guished English art critic and essayiss.
